

Charlize, Pit Mix, 3yrs, 65lbs Charlize is a great dog! She is fully housebroken and she love to work. She has been taking a beginning agility class for about 4 weeks and absolutely loves it! She has a lot of energy when training, but is very calm and well-behaved in the house. She doesn't need to be crated and a baby gate leaning across the doorway is all that is needed to confine her. Charlize would love to be an only dog or with a big laid-back male as she can be a little bossy. Charlize has also learned a number of tricks and is basic obedience trained.

Mix,

Pascal 20lbs, male, very shy, great w/ dogs, loves to play/run w/ his foster brother, still learning the sites/sounds of a regular home setting, came from a rural KY shelter, loves playing with toys, likes walks, but gets nervous so more walks will help his confidence, will do best in home with another dog

Rat Terrier Mix, Katie female, 7yrs, 18lbs very good natured, very sweet, happy go lucky, rides well in the car, easily handled, has a lot of pep in her step, polite, great on leash

Chihuahua mix pups Tinni Martini, 5months, very affectionate, typical happy pup

Chihuahua/Dachshund Mix, Jillie, female, 3yrs, 12lbs, skinny little deer like dog, good w/ dogs, affectionate, if you're sitting, she knows there is a lap & considers it hers to sit on, but she will share it w/ another dog, loves kisses, playful w/ dogs, fun to watch hop around the yard, trying to keep up with the bigger, faster ones, sleeps under the blanket at night, very food oriented, goes willingly into a crate with a treat thrown in, good w/ adults, older children and most small kids, but there have been a few exceptions with small children, when she first came here, she would dart out the door, now, we know to watch and don't allow it, but that is something to keep in mind

Jack Russell, Jasmine 3 yrs, relatively laid back, a sweet little girl, best in home with older kids because of her strong personality and sometimes Jack Russell attitude, loves to go for walks and is content to spend evenings sitting on the sofa beside her person, Jasmine will do best as an only dog because she loves being the queen of her domain

Chia Mix, Marin female, 3yrs, 10lbs, from a high volume breeder, learning what normal is, will need at least one other dog in the home, loves to play chase, you can see the pure happiness in her bounce, will take time to adjust, wants to interact w/ her humans but hesitant, a typical commercial breeder dog, very stiff when held, frightened of quick movements, loud noises, Marin will do best in an adult home with fenced yard

Tigger male, 4yrs, living on the street w/ his brother, super friendly, sweet, loves people, good w/ cats/dogs

Harry, 10yrs, this old boy has been a street kitty for some time, as rough as it looks like life may have been to him, he is a very sweet kitty, most of his teeth had to be pulled, he's on a soft food that he will likely need life long, he is also FIV+, because he is so sweet, we assume he was someone's pet at one time, but he has lived in trailer park for many years and his ears are likely a sign of many cat fights, he is very low key and loves to curl up and sleep most of the time

Smoke male, 4yrs, low key boy that was living on the street w/ his brother, seems a little more cautious than his brother but once he trusts you, he melts

Stacey, 10yrs, declawed, this cat is fabulous, friendly, loves to be near her person, low key

Louise, 8yrs, very quiet, will steal your heart with her gentle sweetness, everyone says how beautiful she is

Shirley, 7yrs, beautiful eyes, a quiet wall flower, but a perfect litter box user Shirley is just a nice cat, low key, loves attention but independent too, she is as solid grey as you have ever seen a cat be, she's an office favorite

Mamma, female 9yrs, declawed, super affectionate kitty, loves to be near her people, a couch potato kind of kitty, easy & sweet
