FELINE FIX

Your sponsorship allows us to offer \$20 Cat Spay/Neuter which includes rabies vaccine & ear tip.

Feline Fix Sponsorship

Your sponsorship of Feline Fix helps lower income families & those big hearted cat people who help stray/feral/free roaming cats get spayed/neutered. We can highlight your business, memorialize a loved one, wish a happy birthday or feature a grandchild for your sponsorship.

Your logo/picture will be featured on our Facebook post to advertise for Feline Fix. We know you are sponsoring because of your love of cats in need. The extra perk is that we can highlight your generosity on our Facebook page so everyone knows your commitment to the Ohio cat overpopulation problem.

Together, we can save Ohio's cats.

Our Hope is to offer Feline Fix Monthly or more often We have booked (& overbooked) all surgery days for Feline Fix. That tells you how badly this program is needed.

Full sponsorship \$1,500 = 30 surgeries
 Half sponsorship \$750 = 15 surgeries

Your donation at work on the most grassroots level possible.

Kathy has spayed/neutered dozens of cats on her street near the airport. She uses her limited monthly income to help as many cats as she able.

This litter came from Licking Co. by a woman who found the pregnant cat hit on the road.
